The primary duties will be to collect groundwater and surface water samples in support of the watershed monitoring program at Los Alamos National Laboratory. Surface water field work involves inspection and maintenance of erosion control measures and maintenance of storm water, surface water, and gage-station automated sampling equipment. Work is year-round and 90% outdoors. Many locations are remote and require hiking or four-wheel drive access.

**Job Type:** Full-time

### **Salary & Benefits:**

- Salary is commensurate with education/experience
- 401(k), 401(k) matching, Dental insurance, Health insurance, Life insurance, Paid time off, Vision insurance, Education assistance, limited relocation assistance may be available

### **Schedule:**

- Monday to Friday

**Work Location:** In person.

### **Culture/EEO Statement**

TPMC strives to hire and retain enthusiastic, diverse, and intellectually curious people who could become leaders in their field. We actively seek and emphasize exceptional interpersonal and communication skills, a spirit of collaboration, and problem-solving abilities, in addition to a passion for technical excellence and quality. We seek individuals with leadership potential, a commitment to lifelong learning and growth, and the desire to build a long and rewarding career with a growing company.

If you're looking for a supportive and exciting place to work, a place with challenging and rewarding projects, and a company that is recognized for its employee focused culture, legacy of staff retention, technical expertise, and business success, then TPMC may be right for you. We are proud to offer our employees a highly competitive benefits package including medical, vision, and dental coverage plans,

life and AD&D insurance plans, short & long-term disability programs, 401(k) retirement plan, tuition reimbursement program, paid holidays and paid vacation. A relocation package may be considered for this position for the chosen candidate. Salary will be commensurate with education, skills, and experience.

TPMC participates in E-Verify and is an Equal Opportunity Employer. TPMC does not discriminate on the basis of race, religion, color, sex, gender identity, sexual orientation, age, non-disqualifying physical or mental disability, national origin, veteran status or any other basis covered by appropriate law. Women (and/or) minorities may be under-represented in this position and are encouraged to apply. US Citizenship is required.
